

NATIONAL RECORD OF REGISTRATION

Section 53 of the National Credit Act requires the National Credit Regulator (NCR) to establish and maintain a register of all registered debt counselors on the NCR website.

The register is predominantly used by consumers seeking the assistance of a debt counselor and credit providers wishing to confirm a debt counsellor's registration details. It is therefore essential that the information recorded on the website is correct.

Kindly complete the table below with the necessary information and email to registrations_info@ncr.org.za
