

# Lapse of Registration

## **CIRCULAR No.11 of 2014 –LAPSE OF REGISTRATION**

It has come to the attention of the National Credit Regulator (NCR) that some credit providers, credit bureaus and debt counsellors (“the registrants”) have failed to pay their registration renewal fees over a period of time.

In terms of the National Credit Act 34 of 2005 (“the Act”), registrants are required to pay the prescribed registration renewal fees timely in order to avoid the lapsing of their registration. If payment is not received within 30 days of invoice date, registration will lapse.

### **Once registration has lapsed, registrants are prohibited to:**

- offer or engage in activities that require registration in terms of the Act; or
- hold themselves out to the public as being authorised to offer any such service.

All credit agreements concluded at the time a credit provider was unregistered are considered unlawful and of no force and effect.

A list of all lapsed registrants will be posted on the NCR website.

### **Payment must be made to: National Credit Regulator (name in full)**
