

NCR'S BANKING DETAILS HAVE NOT CHANGED

CIRCULAR 04 OF 2021

July is the month that our registrants are required to pay their annual registration renewal fees. In the past the NCR was made aware of people who were misleading our registrants about the NCR's banking details. Some of our registrants received calls advising them that the NCR's banking details have changed. In instances where you receive such calls we would like to warn you that these are scams. Our banking details have not changed and the details have remained the same as below.

Name	National Credit Regulator (name in full)
Account No	200456490
Bank	Standard Bank of South Africa
Branch	Parktown
Branch Code	000355
Reference No	Your registration number (NCRCP.../ NCRDC.../ NCRCB...)

Please be vigilant when you receive such calls and contact the NCR immediately if in doubt. If you make payment into the wrong account, the NCR will not be able to receive the annual renewal fees and that could cause your registration to lapse.

Fees may be paid by electronic transfer or by direct deposit and proof of payments must be sent to fees@ncr.org.za
