

National Credit Regulator

*The National Credit Regulator (NCR) was established as the regulator under the National Credit Act 34 of 2005 (the Act) and is responsible for the regulation of the South African credit industry. It is tasked with carrying out education, research, policy development, registration of industry participants, i.e. credit providers, credit bureaux and debt counselors, investigation of complaints, and enforcement of the Act. The Act requires the Regulator to promote the development of an accessible credit market, particularly to address the needs of historically disadvantaged persons, low income persons, and remote, isolated or low density communities. The NCR invites applications from suitable candidates for the following position:*
